Re: Letter of Recommendation

To Whom It May Concern:

It is with great pleasure that I write this letter of recommendation on behalf of Conklin Brothers. It would be hard to count the number of installations that they have successfully completed on behalf of my clients over the past 25 years.

My experience with Conklin Brothers has been multifaceted. They have performed installations on buildings that I managed, as well as worked with my tenants and landlord clients.

Their workmanship has always been of the highest quality and has always been completed on time and on budget.

With the many vendors that I have worked with in my real estate career, I can honestly say that their consistent performance and dependability is second to none.

The above stated I can recommend Conklin Brothers without hesitation or reservation for your client needs.

Very truly yours,

A handwritten signature in blue ink, appearing to read "B. Colton", is written over the typed name.
