RE: Testimonial Letter

Hello John,

It is my pleasure to state for the record that, going back to the late 1980's, you and Conklin Bros. have always, without fail, provided the highest quality service to Lick-Wilmerding High School and San Francisco Day School.

The knowledge, insights and helpful suggestions you have provided over the years have been on-target and more than just satisfactory, in fact they have been outstanding. I cannot count the number of times I have called you for advice regarding flooring issues and received solid advice, in fact we automatically think of calling you for assistance anytime there is a flooring issue or concern.

I look forward to continuing our satisfying relationship with you and Conklin Bros. for many years to come.

Sincerely
